\* We do not accept Coax Cables, or Fiber Optic Wire (Artificial Christmas Trees) at this time.

\*\*Computers/Laptops and Chromebooks must be in an unmanaged state and be complete

\*\*\* Kindly provide us with images of the enclosures containing the hard drives to be shredded offsite. This will enable us to alert our foreman to be vigilant and ensure their proper disposal. Once the hard drives have been securely destroyed, a Certificate of Destruction (COD) will be provided for your records.

Please review the list of other items we do not accept here;
